Devanand Asai

Personal Statement

I'm an 18-year-old student studying Creative Media Practice at New College Swindon. Alongside my studies, I work part-time in customer service, which has taught me how to handle busy environments, communicate clearly, and work well with a team. I'm looking to pick up a new part-time role where I can work alongside by studies and learn some new skills.

EXPERIENCE

Service Colleague | Asda (Greggs) *Aug 2026 – Present*

Working in an Asda-operated Greggs outlet, splitting my time between the Greggs counter and general Asda store duties. My day-to-day involves food prep, serving customers during busy peak hours, handling till work, and keeping shelves and counters stocked and tidy. Working across both sides of the store has made me flexible, quick on my feet, and comfortable jumping into different tasks when things get hectic.

Work Experience: TATA Consultancy Services (TCS) Virtual Work Experience Aug 28, 2024

During my TCS virtual work experience, I was involved in designing a phone application along with lectures on AI, and business practices

EDUCATION

School: Dorcan Academy - Swindon, England

GCSEs & Equivalent Qualifications (Graduation date: 2025)

- Combined Science: 76
- Art: 7
- Photography: 7
- Geography: 6

College: New College Swindon, North Star Campus

Graduation date: 2027

Currently studying L3 BTEC National Extended Diploma in Creative Media Practice (Games & Animation Production) 2 Yr

Skills

Customer Service & Teamwork: Experienced working in fast-paced retail and food service environments, communicating clearly with customers and staying calm during busy shifts.

2D & 3D Game Development: Hands-on experience building 2D and 3D games, level design, and low-poly 3D modelling and texturing using Unity, Unreal Engine 5, Blender, and Aseprite.

Software & Coding: Confident with Microsoft Office, Adobe Photoshop, GitHub, and foundational C# programming in Visual Studio / VS Code.

Language:

- English (secondary): I am fluent in English, demonstrating exceptional proficiency in both written and verbal communication.
- Malayalam (native): I am fluent in spoken Malayalam, though I am still enhancing my reading and writing abilities.

INTEREST/ HOBBIES

Game Design & Prototyping: Building personal game projects, custom desktop tools, and participating in college game jams.

Sketching & Photography: Interest in freehand sketching and illustration, alongside digital photography and photo editing in Adobe Photoshop.
